- Quartz countertops with square undermount sink
- Delta® eight-inch spread chrome, satin nickel, black or champagne bronze faucets
- Designer wood-framed mirror in powder bathroom
- Designer tile flooring selections
- Designer tile on all shower walls
- Custom shower niche
- Comfort height toilets

ENERGY EFFICIENCY

- Tyvek® housewrap that helps keep air and water out while letting water vapor escape. As a result, it can contribute to improved building durability by helping to protect homes against damaging wind and rain that can penetrate the exterior cladding
- Personalized lighting package (\$6,000 allowance for fixtures)
- Recirculating 50-gallon quick recovery water heater
- Zoned 16-SEER Lennox® heat pump
- Honeywell® T6 programmable thermostat with Z-Wave®
- Radiant barrier sheathing (blocks up to 97% of radiant heat in roof panels and lowers attic temperatures up to 30°F)
- R-13 exterior walls, R-21 opener/form, R-19 in vaulted ceilings
- Low-maintenance energy-efficient (Low-E) vinyl windows per plan
- Family room and all bedrooms pre-wired for ceiling fans
- Water conservation rated Gerber® or equivalent toilets

WARRANTY AND CUSTOMER CARE

- Industry-leading HBW® 2-10 insured and transferable home warranty
- Pestban® termite pre-treated with a renewable warranty
- Design center meeting with a Green Park interior designer to make selections
- Pre-construction consultation with the builder
- Pre-sheetrock consultation with the builder for option verification
- Pre-closing walk-through with the builder

SMART HOME FEATURES

- Next Generation CAT 6 structured wiring
- Alarm.com® Smart Homes phone app with a one-year free Smart Home and Security Monitoring by KMT Security
- Qolsys® IQ panel home automation and security hub (with three door sensors and one motion sensor)
- Honeywell® T6 Pro Smart thermostats with Z-Wave®
